Guide to ordering.

Measure your door.

Take three measurements, one across the top, middle and bottom of the door. Take the measurement of the height of the door. Record the narrowest dimension.

STANDARD DOOR SIZES	OPENING WIDTH RANGE	OPENING HEIGHT RANGE
32" width	31-7/8" to 32-3/8"	80" to 81" Platinum & Secure Elegance
36" width	35-7/8" to 36-3/8"	79-3/4" to 81" Guardsman Collection Only

RECORD YOUR MEASUREMENTS

A	WIDTH
B	WIDTH
C	WIDTH
D	HEIGHT

Specify hinge side.

Doors are prehung with hinge-side mounting rail pre-attached to door frame. Indicate left-hinge or right-hinge application when ordering.

How to mount your door.

PLATINUM COLLECTION (Surface Mount)

The rails mount directly to the face of the exterior brickmold and require a 3/4" wide mounting surface.

GUARDSMAN COLLECTION (Recess Mount)

The rails mount inside the opening and require a 1" wide by 1" deep mounting surface.

Measure your window opening.

Determine size by measuring your existing window's height and width. Round down to the nearest 1/8".
